The Honorable Christopher H. Smith
U.S. House of Representatives
112 Village Center Dr.
Freehold, NJ 07728

Dear Congressman Smith:

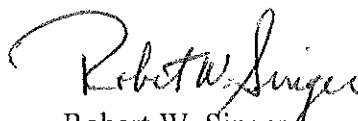

Please accept this correspondence as our endorsement of the request for transportation funding for replacement of the Route 35 bridge over the North Branch of Wreck Pond in Wall.

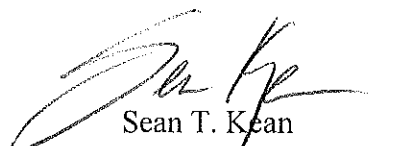

As you are aware, this bridge was constructed in 1931 and is considered both functionally obsolete and structurally deficient. Moreover, Route 35 is a heavily trafficked roadway and a vital part of the transportation network for residents of Wall Township and surrounding communities.

In light of the deficient condition of this important highway, we are pleased to offer our full support for a request for funding for this project which will have tremendous benefits for Wall and the neighboring communities that we represent.

Thank you for your attention to this request and please feel free to contact us if we can ever be of assistance in this or any other matter.

Sincerely,

Robert W. Singer
Senator, 30th District
