Dear Congressman Smith:

Mercer County is seeking \$800,000 FY23 and \$1M for FY25 for the installation of improved safety items including reflective pavement markings (including both striping and raised reflective markers), reflective object markers, reflective roadway delineators, guide rail, and other treatments that improve the overall safety and visibility of various roadways in the county.

Thank you for your consideration.

Sincerely,

Aaron T. Watson  
Deputy Administrator

ATW/mgd
