U.S. House of Representatives
112 Village Center Dr.
Freehold, NJ 07728

Dear Congressman Smith,

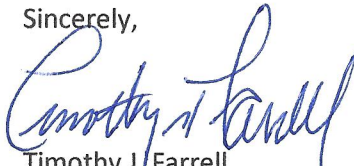

Please accept this letter as Wall Township's endorsement of the request for transportation funding for replacement of the Route 35 bridge over the North Branch of Wreck Pond in Wall.

The bridge has been structurally deficient for quite some time as it was constructed in 1931. Route 35 is a heavily travelled roadway for our residents as well as residents from surrounding communities.

Residents all along the shoreline would benefit from the Route 35 bridge being replaced. With that said, Wall Township is in full support for a request for funding for this project which will benefit so many Monmouth County shore residents.

Thank you for your continued hard work on behalf of all Wall Township residents.

Sincerely,

Timothy J. Farrell
Mayor
